

Lindenwold Elementary Schools

Excellence in Education

Student Handbook & Code of Conduct

2024-2025

Dear Parents/Guardians,

Lindenwold Public Schools make every effort to involve the parents and community in the daily school lives of our students. Parental contact and support is extremely important for the success of our school programs. Therefore, please review the attached handbook and discipline code with your child and sign that you have received it. Signing does not signify agreement, only that you have received and reviewed it. Please note that policies in this handbook may appear in an abbreviated form. All district policies are available to view on the district website.

Thank you,

Dana Lawrence

Sandra Martinez-Preyor, Ed.D.
